the first — and only — secretary/treasurer of the Pioneer Days in Clinton Township was Lois Norton Carter, to whom we are all very much indebted not only for having recorded virtually all of the information that is known about Clinton Township's Pioneer Days, but also for having recorded, gathered and preserved a vast quantity of information about Wayne County.

At each Pioneer Day it was the custom for a descendant of one of the pioneer families of Clinton Township to present a family history or to give an address on a topic related to Clinton Township.
